

EPISCOPAL CONFERENCE OF THE DEAF
of the Episcopal Church in the United States of America
A National Organization of Episcopal Church Workers Serving the Deaf
August 18, 2010

Dear Friends,

These Signed Weekly Gospel and Sermon DVDs are intended to be used by everyone who might need or enjoy them, Ministries and individuals alike.

If you have isolated members, ie: the sick, those in nursing homes or those who can not attend often as they might wish, or a ministry that may benefit from a Signed DVD, this weekly DVD may fill a need in your congregation. Please consider this as an outreach of your ministry and the ministry of the Episcopal Conference of the Deaf.

The ECD is funding this effort for the first year at no cost to the Deaf members of our churches who might appreciate them. It is free.
A Donation is welcome, of course.

Please send their names and addresses to me and I will send the DVD out each week, with the hope that it reaches it's destination before the following Sunday.

Your ideas, constructive criticisms and suggestions are gratefully welcomed.

With God's Blessings,

Marianne
